## **Roxborough Village MD Visioning Summary**

On June 14th, the Roxborough Village Metropolitan District Board of Directors and consultants partook in a workshop to delineate priorities for the District. Board participants were:

- Calvin Brown
- Debbie Prysby
- Ron Bendall
- Steve Sherman
- Ed Wagner

The Board made a list of characteristics that describe Roxborough Village today. The Board discussed whether these characteristics are positive (+) or negative (-) qualities.

The Board then created a list of characteristics that they would like to see in the community 5 years. Once the list was compiled, each board member was given four dot stickers to "vote" on the improvements each would most like to see in the community in 2023.

The results of this activity are below:

Roxborough Village Today	+/-	Roxborough Village 2023	Dots
Quiet Atmosphere	+	More Picnic and Shade Amenities for Families	4
Great access to Parks, Open Space and Nature	+	Improved Mobility & Connectivity for Cars, Pedestrians and Bicyclists	3
Geographic Isolation	+/-	Access to a Rec Center	2
Community & Quality Of Life	+	Consistency in the Community's Physical Layout	2
Minimal Amenities	-	Improved Community Engagement by the Board	2
Need More Activities For Teens	-	More Amenities (Such as Sports Leagues)	2
No High School	-	A Third Vehicular Access Route to the Community	2
High Taxes	-	Improved Internet Access	1
		Addition of an Amphitheater or Pavilion	1

The exercise helped confirm common goals for the Board and provided a framework for near-term investments and improvements.

## DECLARATION OF QUORUM

A quorum was confirmed.

## STERLING RANCH INFORMATIONAL PRESENTATION

Randy Pye, a representative of Sterling Ranch, presented an overview of the planned development, reviewed maps and planning documents that have been submitted to Douglas County for Review.

## PUBLIC COMMENT

More than 30 Roxborough Village residents were in attendance. Questions from the public generally fell into the following categories:

- Traffic Impacts and congestion
- Project density
- Build-out phasing and timing
- Water use and water rights
- Landscaping design
- Multi-use trail access for Roxborough residents
- Public safety concerns regarding fire and police
- Schools

## **BOARD DISCUSSION**

After hearing Mr. Pye's presentation and questions from the public, the Board discussed comments it would offer to the Douglas County Planning Commission on its behalf, including:

Landscaping and landscape design should be similar to the existing Roxborough Village Metropolitan District landscaping, and include native species, grasses, trees and bushes.

The Board is generally supportive of the project, and would like to connect to trail system via pedestrian improvements that would:

- 1. Allow a safe pedestrian crossing south of Safeway across Rampart Range Road. A HAWK signal or other appropriate crossing signal to enhance pedestrian safely is desired.
- 2. Allow better vehicular access to Waterton from Roxborough neighborhoods through road enhancements and improving travel in both directions.

Additionally, the Board discussed exploring options to leverage Sterling Ranch investments to the area to improve the quality of life and amenities for Roxborough Village residents.

## **ADJOURNMENT**

Upon a motion duly made by Director Prysby, seconded by Director Sherman, and upon vote unanimously carried, the Board adjourned the meeting at 8:25 p.m.

## ROXBROUGH VILLAGE METROPOLITAN DISTRICT 8390 E. CRESCENT PARKWAY, STE 500 GREENWOOD VILLAGE, CO 80111 303-779-5710, Fax 303-779-0348

The Arrowhead Shores HOA Manager has provided the District with a list of requests that the HOA would like the District to complete. While a number of these requests fall within Metco's and/or CLA's regular service agreements, several will require Board input. Below is the list of requests submitted by the HOA for the Board to consider:

#### Landscaping Requests (Metco):

- 1. Replace sod along Village Circle East on the east side of the lake.
- 2. Replace sod in the area just east of Red Fox Way on the South side of the road.
- 3. Add mulch to trees at Marmot Ridge Park
- 4. Replace mulch in Mule Deer Park and Airplane Park
- 5. Replace cracked valve covers throughout the parks

Additional item to consider (not requested by HOA): enhanced park edging

## Tree Requests (Bailey Tree):

- 1. Replace dead pine tree on the east side of Cougar Lane
- 2. Remove two tree stumps in Marmot Ridge Park

### Miscellaneous Requests (CLA):

- 1. Inspect playground equipment in Mule Deer Park and Airplane Park (CSD Pool Inspection)
- 2. Repair cracks in the sidewalks around the lake
- 3. Replace damaged and missing Park Rule signs

### Hi Steve,

I appreciate your concern for this assignment. I was given this map from the property management team, for the District. We never got this piece for native assignment. We will refrain from anymore mowing Tract c, until further notice.

Subject: RVMD Chatfield Mowing

27

HI Bill,

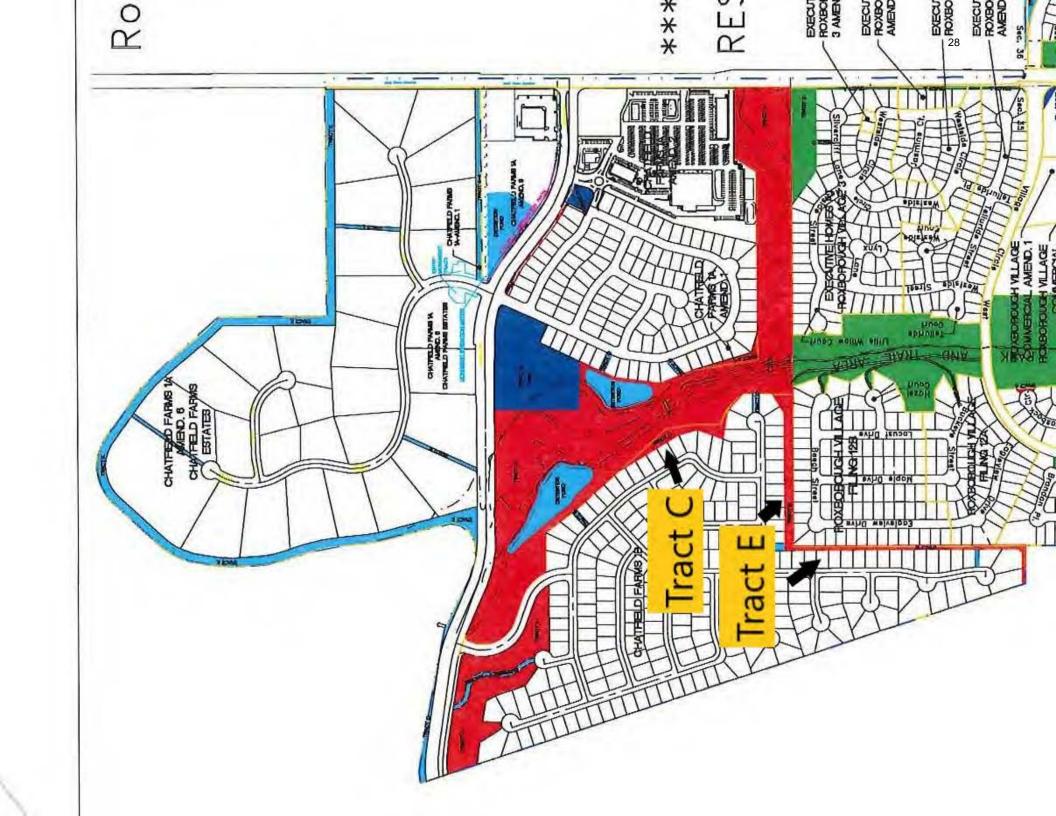

Per our conversation, folks in CHatfield Farms West are concerned about the full mowing of the open space grasses in Tract C. No one is recalling such an effort, and I think for now we should hold off on Tract C. We need to talk about what is best here but the full mow is too much we think.

You did Tract A, which is good, but please do a quick pass on the top of the dam structure. I had to remind the Brickman folks of it, too.

Also, RVMD and the HOA have had many converstions in the past about Tract E, which not only follows the path west from the 4-way intersection, but also between the homes to the south along a concrete drainage pan. This is an area of RVMD maintenance.

The attached map should help. Let's talk more as needed.

Thanks! Steve Sherman 720-341-1895

RE: Water and Sewer Easements on and Adjacent to your Property

Dear Mr. and Mrs. Evans,

Our firm represents Roxborough Village Metropolitan District, a quasi municipal corporation and political subdivision of the State of Colorado. The District is in receipt of your request via email dated June 13, 2018 to retain your landscape improvements on District property.

The District was aware of the landscape improvements planted on the District property within the Roxborough Water and Sanitation District Easement and we joined in Roxborough Water and Sanitation District's request to have you remove such landscape improvements. The improvements are not allowed on District property whether inside or outside of the Roxborough Water and Sanitation District Easement. The Board considered your email request at the June 19, 2018 regular meeting and declined to approve such request.

Please cooperate with Roxborough Water and Sanitation District's prior request to remove the landscape improvements from the both the Easement area and anywhere else on District property. Thank you.

Sincerely,

RE: Sterling Ranch Project SB2017-009

Dear Mr. Thomas:

Our firm represents Roxborough Village Metropolitan District, a quasi-municipal corporation and political subdivision of the State of Colorado (The "District") as general counsel. This letter will serve to provide comment on project number SB2017-009. This District previously commented on this project by way of an email to you dated February 21, 2018. The District provides services that primarily include street improvements and parks and recreation improvements.

These particular comments are directed to a portion of the larger Sterling Ranch project that is located directly adjacent and is almost physically within Roxborough Village, known as Prospect Village. The District is particularly concerned with the details of a development that is so close to home. The previous email comment was to request that Sterling Ranch focus on landscaping that will be cohesive with the Roxborough Village area. It appears that concern is handled because the buffer between Roxborough Village and Sterling Ranch is planned to be comprised of native grasses and some form of trees and shrubs. However, the District reiterates that any such trees and shrubs should be appropriate to blend in with the general area.

The District Board has reviewed the plans for Prospect Village in detail. After holding a Special Meeting in which a presentation was given about Prospect Village, the District has further comment to make. These comments are for consideration by the developer, the Planning Commission, and Board of County Commissioners. One comment for the developer alone is that the District is very interested in connecting trails between the Prospect Village trails and the existing District trails, primarily within the Arrowhead Shores area of the District. Arrowhead Shores will be directly adjacent to Prospect Village. The District looks forward to discussions about this possibility.

Although the District Service Plan mainly focuses on street improvements, and parks and recreation improvements, there really is no other municipal or quasi-municipal body in the Roxborough Village area that can serve to relay concerns of the general public and the District Board. The District therefore makes the following comments regarding traffic concerns. The District hopes that the Planning Commission and Board of County Commissioners will take these comments related to traffic seriously in creating conditions and requirements for the developer.

The District has a pedestrian crossing concern as it relates to crossing Rampart Range Road especially near the existing Marketplace commercial area. With the development of Prospect Village, and the commercial area being directly across Rampart Range Road, the District envisions much foot traffic between both sides of this busy road. The District would like to see a pedestrian crossing installed perhaps near the Marketplace area and perhaps one farther south with at least signals/flashing lights, although a full traffic stop may not be necessary.

With the increase of 655-900 additional residential units in Prospect Village there is no question that traffic will increase. There is an existing traffic issue along Waterton Road traveling west and adding all of these residences to the east will compound the problem. The District wants to see the County assist the Developer in creating the full Waterton connection sooner rather than later. Plans for Prospect Village include extending Waterton Road to the east up to the edge of the Prospect Village area. The larger Sterling Ranch plans show an eventual extension of Waterton Road to Moore Road to the east.

The District, speaking for the general public and comments received at the Special Meeting, believes that the extension of Waterton Road is a priority. Waiting until Sterling Ranch is further built out to require, or create, the full connection is not wise planning. Although Waterton Road to the west is not within the Sterling Ranch project, the additional units going in will impact traffic that direction as well. The District requests that the County focus on improvement of Waterton Road going west as well, especially over the bridge, and to seriously consider adding to the Sterling Ranch

Waterton Road extension by making it a four lane road rather than two lanes (to the east).

The forgoing comments summarize the District's greatest concerns and priorities with the Sterling Ranch/Prospect Village development. The District would like to be apprised of any plans made to address these comments. Please contact my office with any questions and we look forward to these comments being incorporated into the approval of the plans for this project.

Thank you.

Sincerely,

FOLKESTAD FAZEKAS BARRICK & PATOILE, P.C.

[External] Re: Roxborough Village Metropolitan District- Packet

Hi Katie and Anna,

The Sterling Ranch Referral letter may have already been sent, but if not I would like to add a concern about the disconcerting statement that Randy Pye made about the Rec Center use by Roxborough folks. If you recall, when asked about Roxborough use of the rec centers (splash pads, etc), he said yes, the promise was always that Roxborough citizens would be allowed to use them at the same rate as Sterling residents, but then he said that there may have to be a lottery for Roxborough folks, so we don't overwhelm the facilities and make it hard for Sterling folks to use them. I believe such an agreement would violate the spirit of the "accessibility" that we were promised when we supported the rezoning. Rec Centers should be sized for appropriate usage, and with no limitations. Douglas County may have to step up and help us on this, and we as the RVMD need to work on this. I would like to make a comment to this effect to the County.

Thanks - in case this comes up before I get to the meeting. Steve

FW: [External] Open space behind houss

More post-packet.....

Subject: [External] Open space behind houss

Good afternoon,

I was reading through the rules and regulations for the open spaces in Roxborough and was wondering what "other improvements" were. Basically our house is against some open space and during the growing months it can get thick with vegetation.

I was wondering with this high heat and the dangers, could we take it upon ourselves to mow back a good distance away from our houses to keep rattlers away and to keep up in favor with the fire department by reducing the hazard of combustible materials and dry vegetation near our fence line?

So to be clear there would be no construction or placement of anything in the open space, just mowing the grass down and removal of any dead vegetation.

Thank you for your time and consideration!

Jeff
